*Dear Mr. Small Claims Court:*

I am writing to thank you for your excellent small claims court service. Within a few days of submitting our online consultation form, your lead lawyer Jordan Farkas contacted us to discuss our options. At no time did we feel any pressure to hire Mr. Farkas and thought that he genuinely cared about our case. Ultimately, we decided to pursue Mr. Farkas' services, and we sure are happy we did. Mr. Farkas recommended a consultation including a letter of demand to recoup our monies, and drafted the letter to perfection. Within about a week of sending the letter, we had a cheque from our debtor without even having to step foot in the small claims court!

We recommend Mr. Small Claims Court to all individuals and businesses in need of enforcing their rights, and thank Mr. Farkas again for his assistance.

Sincerely,

Kerri and Shaun Clarke
