

Mr. Small Claims Court

Attention: Jordan Farkas

Dear Jordan,

I wanted to write to thank you for all your assistance. As you know I had been trying in vain for over a year to settle my claim directly with a Canadian retailer, who refused settlement. This process was especially difficult for me as I was overseas. However with your representation the claim was settled within 1 month, in full, and credited directly to me.

A great result at a great price.

Yours truly,
