Dear MrSmallClaimsCourt.ca

I wanted to thank you, and particularly your lead lawyer, Jordan Farkas, for your help in representing me for my small claims court Defence. I have no doubt that it was Mr. Farkas' flawlessly drafted Defence which set the tone of the lawsuit and helped influence the outcome in my favour. In addition, your paralegal representing me at the Settlement Conference was experienced and savvy, and I am positive I would not have obtained such a favourable settlement without your paralegal at my side. Finally, with respect to the negotiations in ensuring the settlement came to a close, Mr. Farkas went beyond the call of duty and was quick to respond to all my questions and concerns. In fact, so quick that I feel and know that he actually cared about my case.

MrSmallClaimsCourt, you serve a fantastic public service, and I will recommend you to anyone in need of small claims court advice. Thanks again, and please pass my gratitude on to Mr. Farkas.

Sincerely,

Myly Chu
